

AGENDA ITEM FORM

SUBJECT: Acceptance of Joint Eastside Booster Station – Site Grading

SUMMARY:

- At the September 2013 Board meeting, the Board of Water Works Trustees awarded a contract to Elder Corporation, of Pleasant Hill, Iowa, in the amount of \$110,091.50, for the Joint Eastside Booster Station – Site Grading project.
- This project completed the initial grading and earthwork and seeding needed for the booster station site.
- All work associated with this contract has been satisfactorily completed.
- There were no change orders during the course of this contract.
- The final contract price for the Joint Eastside Booster Station – Site Grading is \$114,022.85. The final price is 3.6 percent greater than the original contract amount due to the need to import fill material from an off-site source. This fill material was in excess of the fill material that was available at the site. A unit price for the imported fill material was provided on Elder Corporation's proposal.

FISCAL IMPACT:

Funds for this project will come from the Joint Eastside Booster Station Work Plan. The amount budgeted in 2013 for the Joint Eastside Booster Station Work Plan is \$1,069,500.

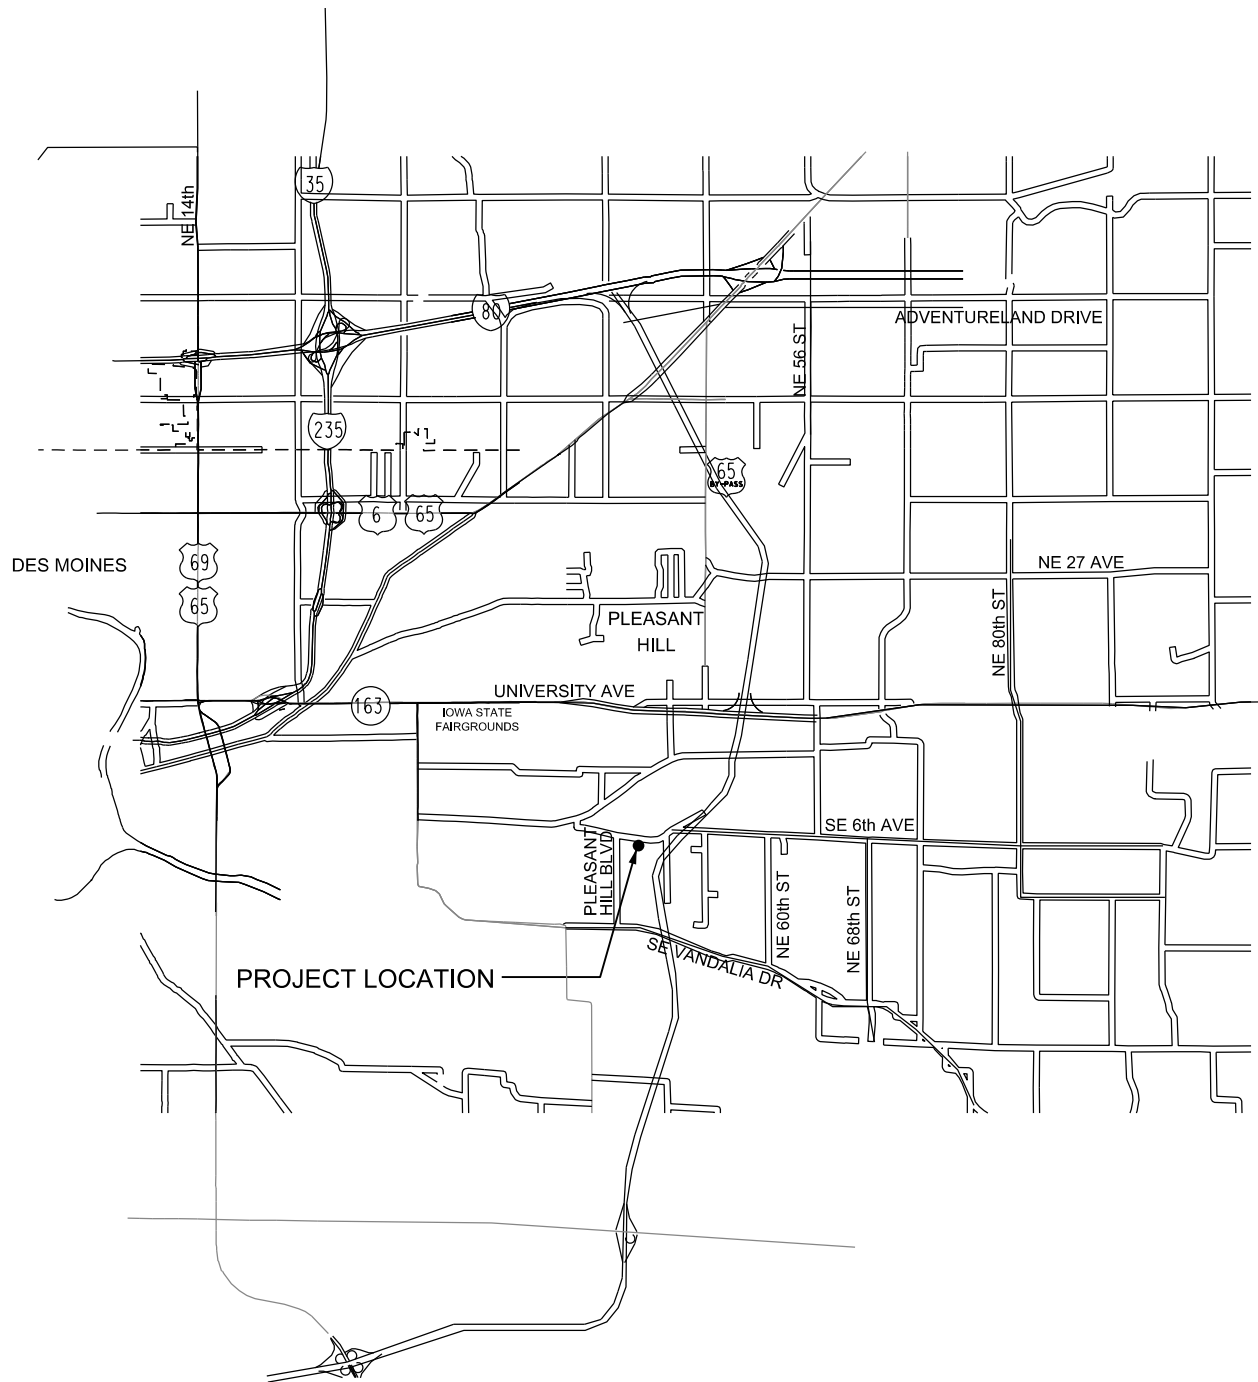

RECOMMENDED ACTION:

Accept the Joint Eastside Booster Station – Site Grading, completed by Elder Corporation, of Pleasant Hill, Iowa, in the amount of \$114,022.85.

BOARD REQUIRED ACTION:

Motion to accept the Joint Eastside Booster Station – Site Grading, completed by Elder Corporation, of Pleasant Hill, Iowa, in the amount of \$114,022.85.
