

DES MOINES WATER WORKS
Board of Water Works Trustees

Agenda Item No. III-B
Meeting Date: February 26, 2019
Chairperson's Signature Yes No

AGENDA ITEM FORM

SUBJECT: Acceptance of Nitrate Removal Facility Process Residuals Pumping Station

SUMMARY:

- At the April 2017 Board meeting, the Board of Water Works Trustees awarded a contract to Weidner Construction, Inc., in the amount of \$905,889 for the Nitrate Removal Facility Process Residuals Pumping Station project.
- All work associated with this contract has been satisfactorily completed.
- The project included two Change Orders for an increase in contract price totaling \$8,324.
- Change Order No. 1 added \$5,700 to the contract. Costs were for modifying some of the piping to restrained joint pipe.
- Change Order No. 2 added \$2,624 and 66 days to the contract. Changes were associated with needed electrical modifications.
- The final contract price for the Nitrate Removal Facility Process Residuals Pumping Station is \$914,213. The final price is the same as the modified contract amount.

FISCAL IMPACT:

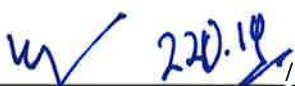

Funds for this project will come from the 2017 Nitrate Regen. Waste Disposal to the WRA Work Plan. The 2017 Nitrate Regen. Waste Disposal to the WRA Work Plan has budgeted funds for contracted work of \$2,400,000. The contract price of \$914,213 will be taken from the 2017 Nitrate Regen. Waste Disposal to the WRA Work Plan.

RECOMMENDED ACTION:

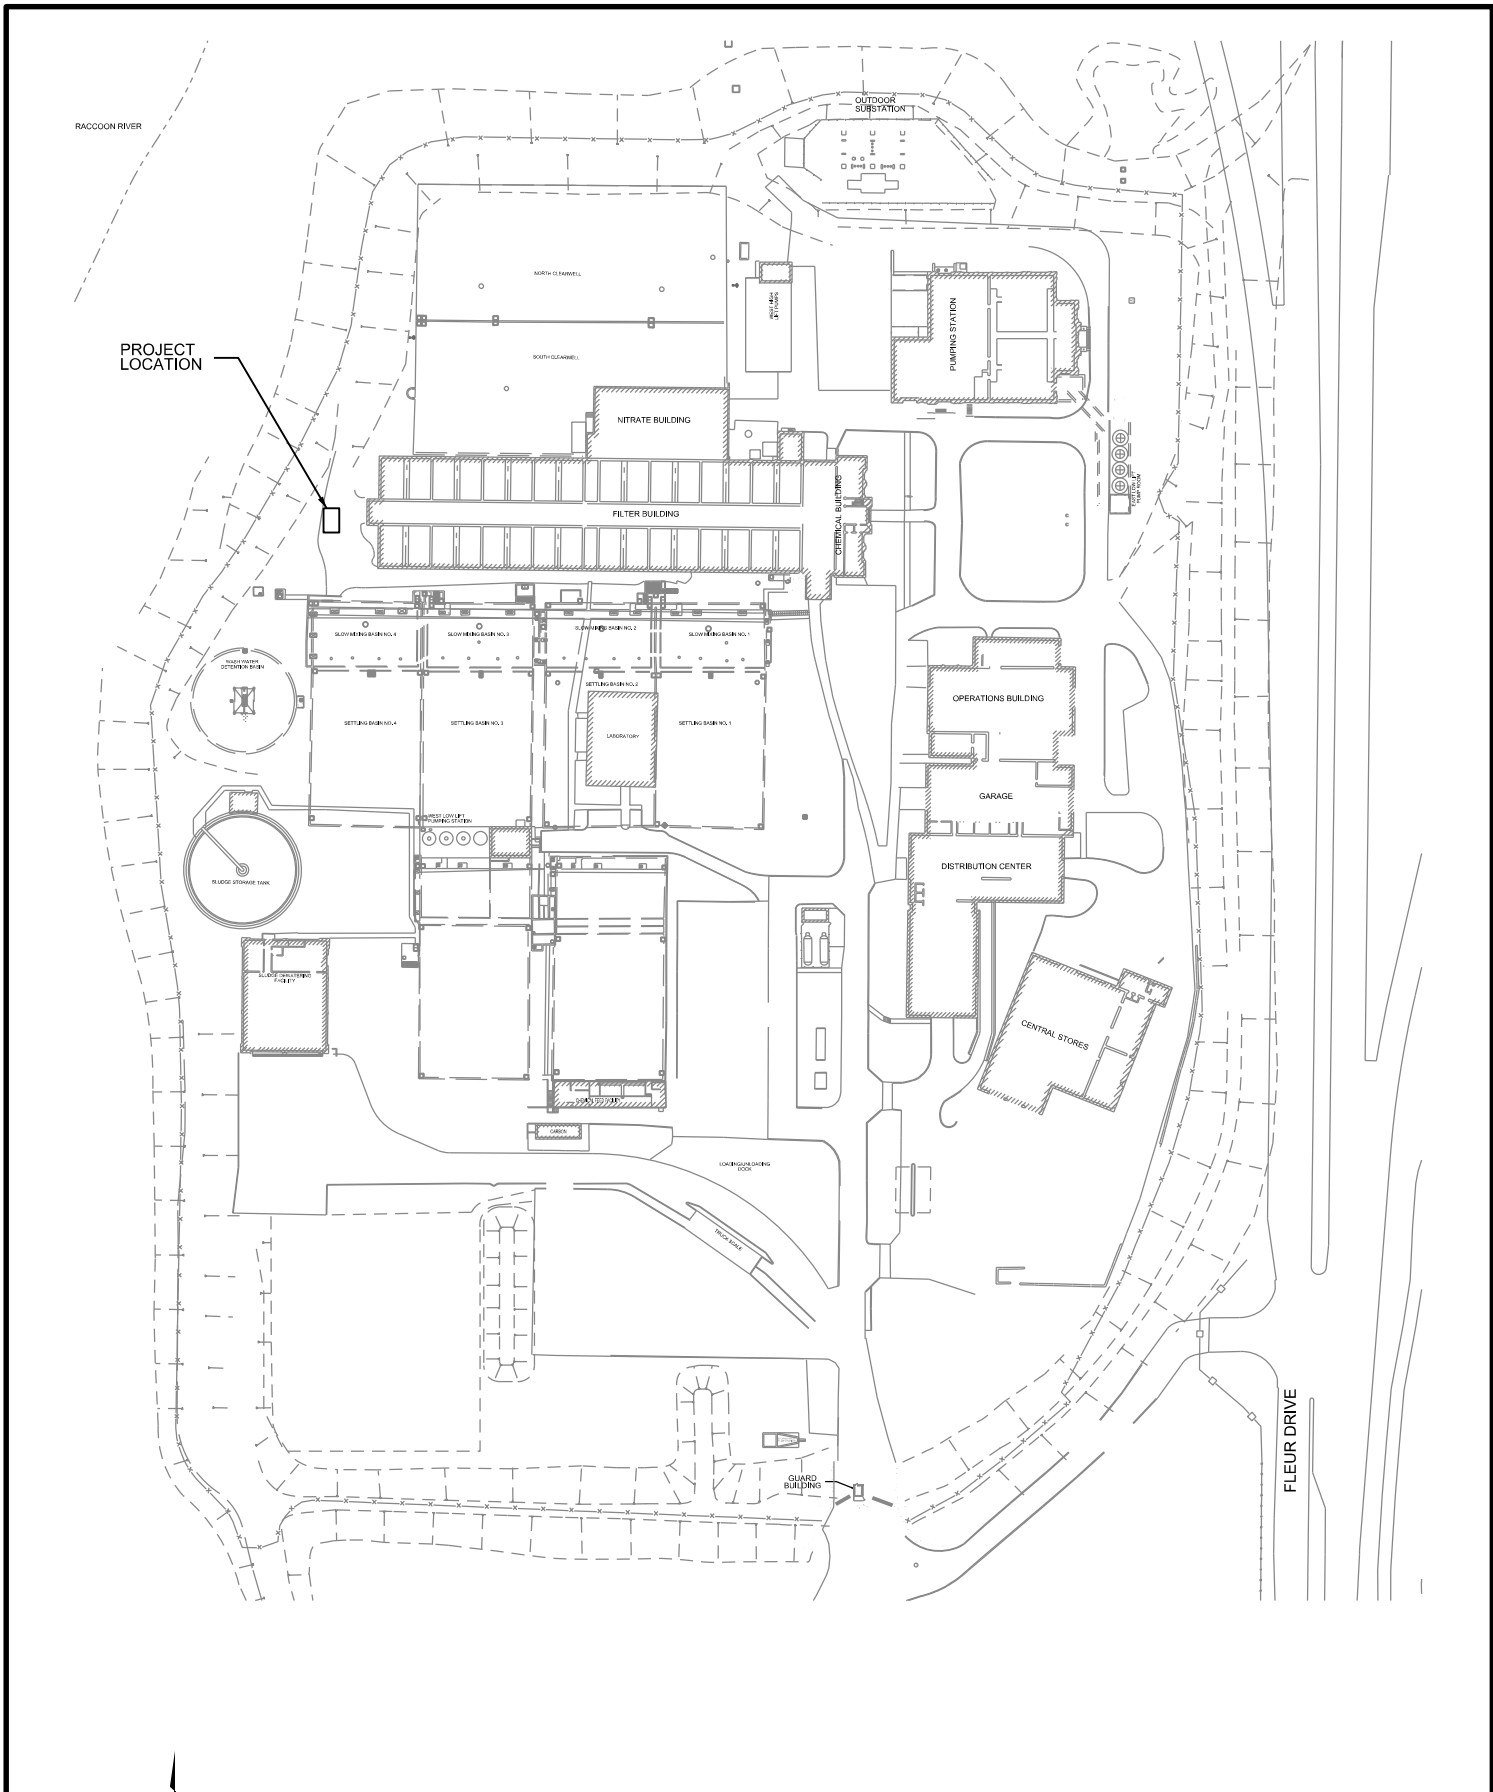

Accept the Nitrate Removal Facility Process Residuals Pumping Station project, completed by Weidner Construction, Inc., in the amount of \$914,213.

BOARD REQUIRED ACTION:

Motion to accept the Nitrate Removal Facility Process Residuals Pumping Station, completed by Weidner Construction, Inc., in the amount of \$914,213.

 Nathan W. Casey, P.E. Engineering Supervisor	 Michael J. McCurnin, P.E. Engineering Services Manager	 William G. Stowe CEO and General Manager
