

**AGENDA ITEM FORM**

**SUBJECT: Award 2018 Pavement Restoration Contract**

**SUMMARY:**

- With an unusually high number of main breaks in January and February, we had to install nearly 180 temporary pavement patches this winter. This is nearly double the number of pavement patches that we normally have. In order to complete all the permanent pavement restorations by August 15, we will need to contract out a portion of this work and complete the remaining with DMWW staff.
- Notice to Bidders for the 2018 Pavement Restoration project was published inviting contractors to bid on removal and replacement of 104 temporary pavement patches.
- Specifications and contract documents were taken out by eleven (11) prospective contractors and subcontractors. Two (2) bids were received and opened on March 19, 2018. Following is the summary of the bids received:

BIDDER	TOTAL BASE BID
Q3 Contracting, Inc.	\$225,562.35
C. Green Contractor, Inc.	\$322,442.50

- The engineer's estimate for the project was \$380,000.00.
- Q3 Contracting, Inc. has successfully completed work for DMWW in the past.
- Staff recommends award the contract to Q3 Contracting, Inc. in the amount of \$225,562.35.

**FISCAL IMPACT:**

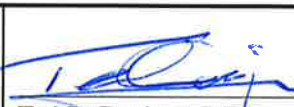

Funds for this project will come from the Distribution System Maintenance and Repair Work Plan.

**RECOMMENDED ACTION:**

Award the 2018 Pavement Restoration Contract to Q3 Contracting, Inc., in the amount of \$225,562.35, and authorize the Chairperson and the CEO and General Manager to execute the contract.

**BOARD REQUIRED ACTION:**

Motion to award the 2018 Pavement Restoration Contract to Q3 Contracting, Inc, in the amount of \$225,562.35, and authorize the Chairperson and CEO and General Manager to execute the contract.
