

MEMORANDUM

DATE: January 17, 2017

TO: William Stowe, CEO and General Manager

FROM: Jennifer Terry, Environmental Advocacy Leader

SUBJECT: Environmental Advocacy Outreach Summary
December 14, 2016-January 17, 2017

In the past month, I met with the following water quality stakeholders to identify areas of collaboration, as well as potential shared advocacy efforts, for clean water:

- Land O' Lakes SUSTAIN
- EOR Engineering
- Iowa Public Health Association
- State Hygienic Laboratory at University of Iowa
- Environmental Law and Policy Center
- Iowa Waste Exchange
- Iowa Rivers Revival

I represented DMWW at the following meetings, presentations, conferences and events:

- Water Resources Coordinating Council
- Iowa Alliance for Responsible Agriculture, joined steering committee and legislative committee formulating strategy for engaging legislators around the goal of a statewide moratorium on confined animal feeding operations
- Raccoon River Watershed Association, board member and planning committee for two annual events
- State Public Policy Group water round table
- Greater Des Moines Partnership Legislative reception
- Red Rock Social Justice Advocates
- DMWW tour and discussion with Congressman David Young
- Weekly legislative round table held at the Iowa Environmental Council throughout the legislative session
