Only the Treasurer and those authorized by resolution may invest public funds and a copy of any empowering resolution shall be attached to this Investment Policy. All contracts or agreements with outside persons investing public funds, advising on the investment of public funds, directing the deposit or investment of public funds, or acting in a fiduciary capacity for Board of Trustees shall require the outside person to notify in writing Board of Trustees within thirty (30) days of receipt of all communication from the Auditor of

The controls shall be designed to prevent losses of public funds, to document those officers and employees of Board of Trustees responsible for elements of the investment process and to address the capability of investment management. - 608.2.4 A bank, savings and loan association or credit union providing only depository services shall not be required to provide an audited financial statement and related report on internal control structure.
- 608.3 Objectives of Investment Policy. The primary objectives, in order of priority, of all investment activities involving the financial assets of Board of Trustees, shall be the following:
 - 608.3.1 Safety: Safety and preservation of principal in the overall portfolio is the foremost investment objective.
 - 608.3.2 Liquidity: Maintaining the necessary liquidity to match expected liabilities is the second investment objective.
 - 608.3.3 Return: Obtaining a reasonable return is the third investment objective.

608.4 Prudence. The Treasurer, when investing or depositing public funds, shall exercise the care, skill, prudence and diligence under the circumstances then prevailing that a person acting in a like capacity and familiar with such matters would use to attain the 608.3 investment objectives. This standard requires that when making investment decisions, the Director of Finance/Treasurer shall consider the role that the investment or deposit plays within the portfolio of assets of Board of Trustees and the investment objectives stated in 608.3.

608.5 Instruments Eligible for Investment. Funds of Board of Trustees may be invested in the following:

608.5.1 Interest-bearing savings accounts, interest-bearing money market accounts, and interest-bearing checking accounts at any bank in the State of Iowa. Each bank must collateralize public funds in excess of the amount federally insured in accordance with Code of Iowa, Chapter 12C. Each financial institution shall be properly declared as a depository by the Board of Trustees. Deposits in any financial institution shall not exceed the amount approved by the Board of Trustees.

608.5.2 Obligations of the United States government, its agencies and instrumentalities.

608.5.3 Certificates of deposit and other evidences of deposit at federally insured Iowa depository institutions approved and secured pursuant to Code of Iowa, Chapter 12C.

608.5.4 Repurchase agreements, provided that the underlying collateral consists of obligations of the United States government, its agencies and instrumentalities and Board of Trustees takes delivery of collateral either directly or through an authorized custodian.

608.5.5 All instruments eligible for investment are further qualified by all other provisions of this Investment Policy, including 608.7 Investment Maturity Limitations and 608.8 Diversification Requirements.

 - 608.6.2.2 Pursuant to a contract providing for the compensation of an agent or fiduciary based upon the performance of the invested assets.
 - 608.6.2.3 If a fiduciary or other third party with custody of public investment transaction records of Board of Trustees fails to produce requested records when requested by this public body within a reasonable time, Board of Trustees shall make no new investments with or through the fiduciary or third party and shall not renew maturing investments with or through the fiduciary or third party.

608.7 Investment Maturity Limitations.

- 608.7.1 Operating funds must be identified and distinguished from all other funds available for investment. Operating funds are defined as those funds, which are reasonably expected to be expended during a current budget year or within fifteen (15) months of receipt.
- 608.7.2 All investments authorized in 608.5 are further subject to the following investment maturity limitations:
- 608.7.2.1 Operating funds may only be invested in instruments authorized in 608.5 of this Investment Policy that mature within three hundred ninety-seven (397) days.
 - 608.7.2.2 The Director of Finance/Treasurer may invest funds of Board of Trustees that are not identified as operating funds in investments with maturities longer than three hundred ninety-seven (397) days, but less than one thousand seven hundred twenty-six (1,726) days. However, all investments of Board of Trustees shall have maturities that are consistent with the needs and use of Board of Trustees.

608.8 Diversification. Investments of Board of Trustees are subject to the following diversification requirements should Board of Trustees hereafter determine to invest in them:

608.8.1 Where possible, it is the policy of Board of Trustees to diversify its investment portfolio. Assets shall be diversified to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, or a specific class of securities. In establishing specific diversification strategies, the following general policies and constraints shall apply:

608.8.1.1 Portfolio maturities shall be staggered in a way that avoids undue concentration of assets in a specific maturity sector. Maturities shall be selected which provide stability of income and reasonable liquidity.

608.8.1.2 Liquidity practices to ensure that the next disbursement date and payroll date are covered through maturity investments, marketable U.S. Treasury bills or cash on hand shall be used at all times.

608.8.1.3 Risks of market price volatility shall be controlled through maturity diversification so that aggregate price losses on instruments with maturities approaching one year shall not be greater than coupon interest and investment income received from the balance of the portfolio.

608.9 Safekeeping and Custody.

608.9.1 All invested assets of Board of Trustees involving the use of a public funds custodial agreement, as defined in Code of Iowa, Section 12B.10, shall comply with all rules adopted pursuant to Section 12B.10C. All custodial agreements shall be in writing and shall contain a provision that all custodial services be provided in accordance with the laws of the State of Iowa.

608.9.2 All invested assets of Board of Trustees eligible for physical delivery shall be secured by having them held at a third-party custodian. All purchased investments shall be held pursuant to a written third-party custodial agreement requiring delivery versus payment and compliance with all rules set out elsewhere in 608.9 of this Investment Policy.

608.10 Ethics and Conflict of Interest. The Director of Finance/Treasurer and all officers and employees of Board of Trustees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

608.11 Reporting. The Director of Finance/Treasurer shall submit monthly an investment report that summarizes recent market conditions and investment strategies employed since the last investment report. The investment report shall set out the current portfolio in terms of maturity, rates of return and other features and summarize all investment transactions that have occurred during the reporting period and compare the investment results with the budgetary expectations.

608.12 Investment Policy Evaluation.

608.12.1 At the regular January Board meeting, the Board of Trustees shall evaluate existing guidelines for the investment of funds. The Board of Trustees shall determine the types of securities to be invested in, and the maturities expected. Any changes to the fund investment guidelines shall be made by Resolution, which shall be entered in the official minutes of the Board.

608.13 Glossary of Terms.
