AGENDA ITEM FORM

SUBJECT: Turf Maintenance Services Remote Facilities

SUMMARY:

Des Moines Water Works' remote facilities are located across the Des Moines Metro and surrounding areas. Maintaining our remote facilities is an important part of the water utility operations. Proper turf care facilitates access to and maintenance of various pieces of water supply infrastructure. Turf maintenance activities shall include litter collection and disposal, grass mowing, and grass trimming. For many years, Nedgo Services Company, Inc., has mowed our remote facilities, but due to unfortunate circumstances, Nedgo is unable to continue the 2016 remote facilities contract with us.

Recently, proposals were received from qualified contractors to mow 60 acres at our remote facilities. Des Moines Water Works received four bids on June 16, 2015.

I'll Do It	\$29,660.00
Team Lawncare, LLC	\$33,535.00
Houseman's Outdoor Solutions	\$43,849.00
JT Lawn Services of Iowa	\$46,388.00

The low responsive bid was submitted by: I'll Do It.
